

VideoMakerFX 1.1 Slide Installation Process (Same Process for Windows & Mac OS X)

1. Launch VideoMakerFX
2. Create a New Project
3. Click "Add Slide"
4. Click "Install Slides from Zip"

5. Browse & Select the Slide Package ZIP file downloaded

The slides will then appear at the **BOTTOM** of the slide themes list.

The slides are stored in your
"Documents/VideoMakerFX/Add On Slides" Folder
